My child is planning to show and sell a market hog project at the Berlin Fair. I agree to abide by the Market Livestock Guidelines and rules set by the Berlin Fair Livestock Committee. This can be found in a current year Berlin Fair Book. All qualified market project animals will be sold at auction. I also acknowledge the Berlin Fair is a terminal show/fair for all market hogs.

Each club or exhibitor is responsible for ear tagging their hogs, and submitting a legible picture of the hog with the ear tag. The photo must be submitted by April 15 to berlinfairmi@gmail.com.

I/we also understand there is up to a 3% fee deducted from the exhibitor's market livestock sale check. The money deducted from sale check is used to pay for the yearly expenses incurred to run the shows and auction, which includes but is not limited to: buyers' dinner at the fair, livestock pictures, judges' fees, ear tags, calibration and certification of the livestock scales, trucking, postage, office supplies, and maintenance of equipment and grounds.

I understand the Berlin Fair does not carry medical accident insurance for injuries sustained in its programs, for physical damage to the participant's property or liability coverage arising out of the use of the participants property. I further agree to indemnify, hold harmless, and defend the Berlin Fair and the respective officials, agents, representatives, volunteers, employees, and board members from any and all claims for injuries, damages or loss sustained by me or my ward arising out of, connected with, or in a way associated with the activities of the program. **Parent's Initial** _____

By signing I have read and understand the above provisions of the Market Hog Project.
