Youth Livestock Rules and Regulations - Berlin Livestock Committee

1. To be eligible to show market livestock, Youth members must be an active youth member.
2. Age is as of January 1 of project year. A youth member may continue in the project through the year in which they are 19 years of age.
3. A Youth member may show and are limited to two different market project species countywide each year. Example: one feeder calf and one pen of rabbits, but not a feeder calf and a market steer. Other animals may be raised and shown in classes other than the market classes but not sold at the Youth auction. Member may weigh-in or tag 2 steers and select 1 to take to final weigh-in (family steer – this goes for hogs as well).
4. Youth members **must** complete the required market livestock documents and have it submitted at the scheduled time as established by the Youth livestock committee. Pictures with the child and project are also a requirement, exhibitor must be in show attire. Projects **must** sell at the Youth Livestock Auction if it meets the requirements of the project.
5. Adequate housing and facilities must be available as each member is required to feed, care for and train their own animal with guidance and assistance if necessary. It should be the member's responsibility -- not the parents or other family members -- to see that the project is carried out satisfactorily.
6. Participation in Showmanship classes is required to be eligible for the market classes. The same person may win showmanship classes as often as earned. There are no restrictions on the number of showmanship honors that a Youth member can win.
7. Market livestock Youth members may participate in no other county's fair. Example: If they show beef, sheep or swine at the Berlin fair, they may not show any species at the Muskegon or Kent County fair.
8. Conduct Policy: Any Youth member, Youth leader, Youth parent, Youth guest, or Youth volunteer participating in a Youth sponsored activity must abide by the rules of the Conduct Policy set forth by the Berlin Fair Board.
9. 10. Individual groups are encouraged to meet at least once a month while the project is in progress.
11. The market livestock auction checks will be handed out at the time the livestock committee has the funds

to cover all members checks and not before. There is a 3% fee deducted from all Youth members' livestock sale checks. This money is used to pay for the Youth Livestock Committee's yearly expenses incurred from the livestock sale which include, but are not limited to: the buyer's dinner at the fair, pictures of Youth members with their project animal(s), judges fees, ear tags, calibration and verification of the livestock scales, trucking of livestock to slaughter house or sale barns, postage to send letters to buyers and office supplies.

12. All animals will be tagged, tattooed (and weighed-in as appropriate) at the specified times and places.
13. The livestock committee will decide what animals, if any, need to be rejected and which members will be dropped due to failure to comply with the rules and regulations. This decision will be made any time prior to sale. (This includes unruly or ill animals).
14. If any Youth leader is having problems with a group member following the rules, he/she should notify the committee so they can take the appropriate actions.
15. Once the animal is on the grounds, there will be no outside help allowed with the fitting and/or preparation of the animal for the show except for the immediate family members, club leaders or other club members.
16. No icing, alcoholic beverages, illegal drugs, or sedatives will be allowed for project animals.
