The fee shall be set by the membership at an Annual Meeting and may be changed only on even numbered years. (i.e.: 2000, 2002, 2004, etc.) A membership year shall be defined as the period beginning at the conclusion of an Annual Meeting and extending through the conclusion of the next Annual Meeting.

Appointed directors do not have to be members of the Berlin Fair Association at time of appointment. Each elected director shall be elected to a term of three years unless otherwise specified in these by-laws.

B. DIRECTOR TERMS. M. **REMOVAL.** The Board, by vote of a majority of all Directors then in office, is authorized to remove any Director who may refuse or neglect to discharge the duties of a director, or whose removal, in the judgement of said majority, is in the interest and welfare of the Association. Notice of any proposed removal shall be provided to all Board members at least ten days in advance of such vote.

N. **ETHICAL BEHAVIOR.** As a general rule, a director may not have a direct financial interest in contract involving the Fair without first disclosing that interest prior to any action by the Board on that contract. Directors will not use their positions to secure any item or benefit that would not ordinarily accrue to them in the performance of their official duties.

L. INDEMNIFICATION. The Association shall indemnify any Director, officer, agent or employee of the Association against expenses actually incurred by such person in connection with the defense of any civil action, suit or proceeding in which such person is made a party by reason of being or having been such Director, officer, agent or employee, in which such person is found to be not liable. Such indemnification shall not be deemed exclusive of any other rights to which such Director, officer, agent or employee may be entitled under any by-law, agreement, vote of the Board or the Executive Committee, or otherwise.

ARTICLE 6

A. NOMINATING COMMITTEE. At the Annual Meeting, the President shall appoint a Nominating Committee of two Directors, whose terms are not expiring, along with one Association member. They shall prepare a slate of candidates for election to the positions of Director at the next Annual Meeting. For interested nominees, the individual must declare interest in running no later than June 1st to the nominating committee and have the support of 5 elected board members to run. The nominees presented by the Nominating Committee, be presented for election. Each nominee shall have indicated to the Committee a willingness to stand for election and to serve if elected. Members of the Nominating Committee may not serve for two succeeding terms.

B. METHOD OF ELECTION. Only those members present at the Annual Meeting may vote. Voting shall be conducted using a single ballot listing all nominees. All candidates are considered as running at-large for the five vacant Directorships. Members may vote for up to five persons whose names appear on the ballot. Blank ballots and write-ins will be disregarded in the tally. The five candidates receiving the greatest number of votes are elected to terms of three years. Ties will be resolved by the drawing of lots among those candidates tied.

C. FILLING VACANCIES. Any Vacancy occurring in the Board of Directors shall be filled by the affirmative vote of most of the remaining Directors. Persons so appointed will serve as Director only until the next Annual Meeting. The Nominating Committee will list the appointed Director on the ballot as a nominee for the Board of Directors if one or two years remain in the unexpired term (unless he or she withdraws). The person who tallies the sixth greatest number of votes in the at-large election will be elected to serve the remainder of the unexpired term. Ties will be resolved by the drawing of lots among those candidates tied.

ARTICLE 7

A. AMENDMENTS. These by-laws may be altered amended or replaced and new by-laws may be adopted by an affirmative vote of a majority of all Directors then in office provided that written notice of the intention to alter, amend or repeal the by-laws or to adopt new by-laws shall be sent to each Director at least thirty days prior to the date of presentation for action by the Board. Such actions taken by the Board of Directors are subject to a confirming vote by a majority of the members present at the next Annual Meeting. If a confirming vote fails, these by-laws shall revert to their previous state prior to the amendment(s), alteration(s), or repeal(s). A proposed amendment or new by-law becomes fully effective when it has been approved by a majority of all Directors then in office and receives a confirmation vote by a majority of the membership present at the next Annual Meeting.

ARTICLE 8
